Customers Who Trust Us

Here's what our customers say about us:

Mike tesliuk

Founder of Brdsoft, Brazil

This PBX makes possible to us to give to customers the best resource they need on a PBX, we have companies which are geographically distributed and can use MPLS or Internet Connections even 4G connection to be able to talk if their team mates or customers, and you have the best support team at your services.

GAUTAM SINGH

Project Manager at D D Motors

We have been using HoduCC and specially like the Webphone build in WebRTC. It saves cost of IP Phones. The important thing is, there is always support provided as and when required.

STEVE VINE

Global Account Director at One Voice (Aizan)

HoduSoft team has been absolutely great; knowledgeable, responsive, professional, and they make custom changes right away.
